## CALL US WHEN HAVING THE RIGHT PERSON (OR TEAM) MATTERS.

### **Not every project is created equal.**

Yes, there are times to call in the “big guys”. And there are other times when the big company methodologies, service delivery models and fees just aren’t right for the project at hand.

### **A boutique consulting firm that delivers.**

Introducing DARTON GROUP. A special firm with a reputation for knowing the top-tier project management, finance, and accounting professionals across the

Charlotte region. Our clients understand there is a cost-effective alternative when the need arises for sophisticated expertise to tackle mission-critical projects.

### **It is really about the people.**

When it comes right down to it, the success of any project really depends on the people. At DARTON GROUP, we understand that people make the difference.

**We know who you need to know.**
